Colours

- Tube
- Gel

The newly launched Navigator 570 is a development of the hugely successful tried and tested Falcon 570. Using the proven hull and tube design of the Falcon 570 the Navigator boasts some clever new developments. The newly designed splash-back well incorporates a large rear watersports locker with bench seat over.

The console is positioned slightly further forward allowing comfortable seating aft for five and a further four up in front. With a newly designed practical and good looking A-frame and fast, smooth performance driven by up to 115hp, the new Navigator 570 is an exciting new development.
